Box Non-Fee Amendment
Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This Amendment and Response is filed in response to the Office Action dated March 12, 1999.

Please reconsider the application as follows:

Please cancel Claims 2-7, 9, 10, and 14 without prejudice or disclaimer of the subject matter thereof.

Please amend the Claims without prejudice or disclaimer of the subject matter thereof as follows:

1. (Once amended) An isolated protein [comprising a parasite astacin metalloendopeptidase protein] encoded by a nucleic acid molecule that hybridizes under stringent conditions to the complement of a nucleic acid molecule having a nucleic acid sequence selected

A
